

Modified, Late Model, Stock Cars, and Hobby Stocks **RACE CAR CHASSIS SCHOOL**

Tune in your 2010 Race Season the right way!

Jump ahead of your competition before the season starts by attending our Dirt Chassis School. Whether you race a Modified, Sport Modified, B Modified, Stock Car, Hobby Stock, or a Late Model race car this is the best way to learn about your race car and optimize your race equipment's performance. We guarantee you will gain valuable knowledge and education about -

- Springs • Shocks • Front End Alignment • Caster • Camber •
- Toe Settings • Bump Steer • Rear Steer • Roll Steer •
- Rear Suspension Adjustments • 2 Link • 4 Link • Z Link •
- Torque Links • Panhard Bars • Brake Systems •
- Base Line Set - Ups • 15 Proper Scaling Methods •
- Tire Management • Track Adjustments • Understanding the Driver • Pin Pointing What the Race Car Tells You • and More •

- learn from proven Chassis Experts and Champion Drivers in the Racing Industry! Our Workbook Manual will become your main information and reference source. With the use of chassis simulators and our other visual aids you will have hands-on for better retention plus these training aids will help you to understand the material covered in the class easier!

With the money you have invested in equipment why wouldn't invest in yourself? Register NOW! Classes are limited.
